Tests & Results

Prototype

Device : Test the resistance of the sphere during inappropriate use

➡ Positive results

Application —→ The main functions work properly:

Dispense
mechanism

Screen

Locks

Alarm

Picture

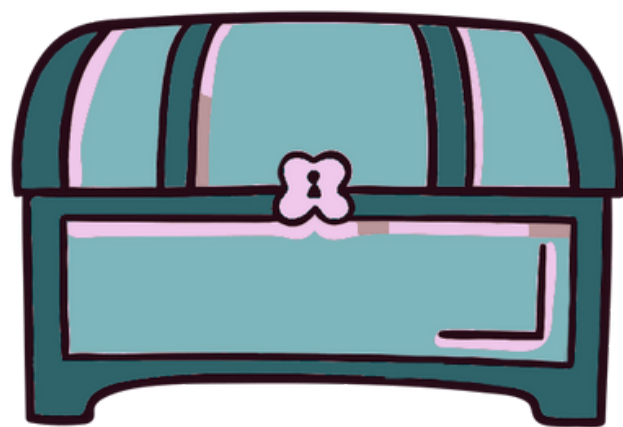

Fingerprint

Packaging

Give packaging a second life!

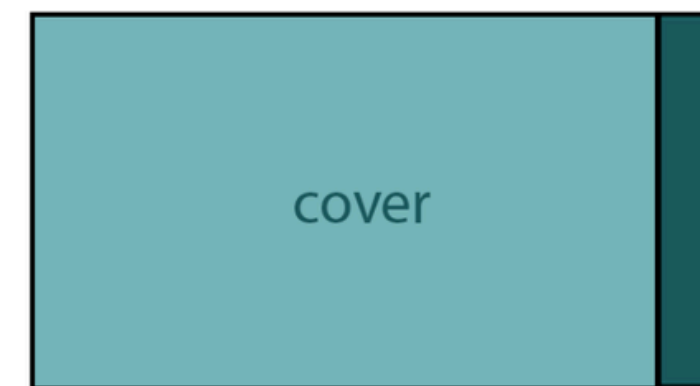

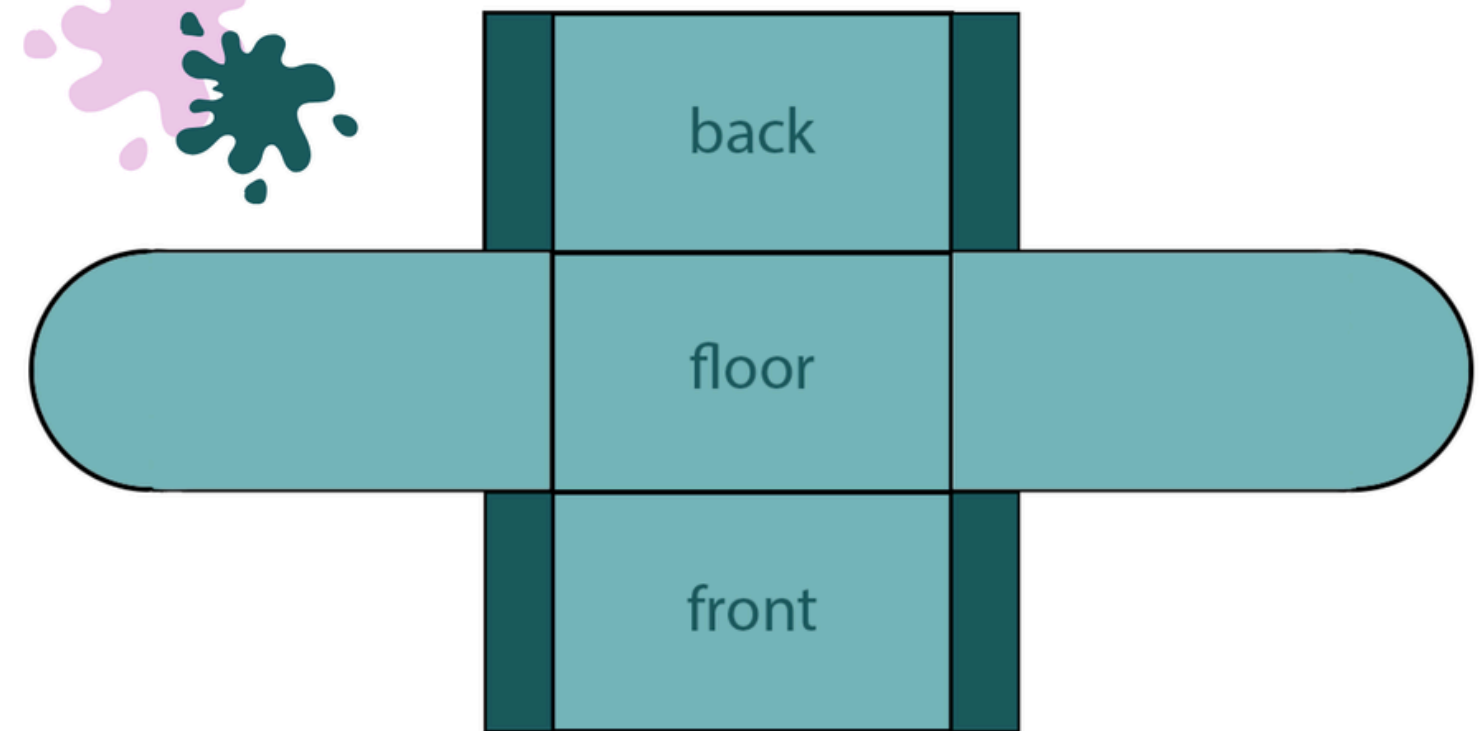

Introduction given in
User Manual

Get creative!

Folding Instructions

Give the Packaging a new life
by creating your own treasure chest

1. cut out the given guiding lines
2. align the sides
3. glue the ends together

And now it's time for the fun
part
Get creative and design your own
masterpiece

Conclusion

Achievements

Limitations

**Future
development**
